

### **Jen Bauer Announces Run for Omaha City Council, District 3**

Omaha, NE — 11.19.20 — Today Jen Bauer, President of the Aksarben/Elmwood Park Neighborhood Association, announced she is entering the race for a seat on Omaha's City Council. She is seeking the District 3 seat being vacated by Chris Jerram, who has decided not to run again.

Bauer has been an Omaha resident since 2010. An accountant by trade, she works in accounting systems product development with Interpublic Group. She believes it is time for new skill sets and a renewed focus on community on Omaha's City Council.

"We need strong leadership as we emerge from the effects of COVID-19", says Bauer. "We need to advocate for our small and locally-owned businesses, ensure our neighborhoods are thriving, and engage citizens in problem-solving. The health and wellness of our community needs to be a priority as we move forward."
